Schedule of Benefits

Your Plan provides you with the option to lower your out-of-pocket costs for certain services by going to Site-of-Service Providers, Freestanding Providers, or Surgical Centers. These Providers may have lower cost-shares and Maximum Allowed Amounts, reducing your Out-of-Pocket costs for certain services. When you use the “Find a Doctor” tool on anthem.com look for the “SOS” indicator under the Provider’s name, and when applicable, the tool will automatically sort by Benefit Tier and show these providers first in your results.

In the following “Schedule of Benefits”, Site-of-Service or Freestanding Providers, and Surgical Centers will be shown in the first Cost-Sharing column, otherwise “Not Applicable” will appear and benefits will be available at the In-Network Participating Providers level.
